

**CENTRAL SUPPLIER
DATABASE**
FOR GOVERNMENT

CALL TO ACTION

UPDATE YOUR PROFILE ON THE CENTRAL SUPPLIER DATABASE (CSD) NOW!

WHAT IS THE CENTRAL SUPPLIER DATABASE?

The CSD is a single database that serves as the source of supplier information for all spheres of government, it limits duplication and enables electronic procurement processes.

WHY IS IT IMPORTANT TO UPDATE YOUR CSD PROFILE?

The CSD information is used by all organs of state for procurement purposes, thus if supplier profile is not up to date, they might miss opportunities to do business with the state.

WHAT INFORMATION NEEDS TO BE UPDATED?

- 1 Industry classification
- 2 BBEE information
- 3 Ownership information
- 4 Ensure commodities are correct

HOW TO UPDATE YOUR CSD INFORMATION?

- 1 Go to www.csd.gov.za
- 2 Log on to your profile
- 3 Update profile
- 4 Click submit on the overview tab
