# **EXECUTIVE SUMMARY FOR FINANCE DEPARTMENT**

**DECEMBER 2013**

## **INTRODUCTION**

The Financial Services Department experienced a very difficult period during the month under review. The audit of financial statements was finalised and there is still a lack of Human Resources. The employment of staff has continued to be problematic during this month, with the Finance Department really under pressure due to a critical shortage of staff. The position of the CFO has not been permanently filled as yet.

### **REVENUE**

Revenue in total increased in the year to date compared to the budget by R15,7 million which represents an 8% increase. Rates are slightly lower by 5% compared to budget. Revenue from service charges is also slightly lower than budget at 2%. Government grants and subsidies are higher by R15 million which represents 34% compared to budget; this is due to the 2<sup>nd</sup> tranche of equitable share having been received.

An audit of meters commenced in May 2013 this should indicate areas where the municipality should focus in strengthening controls to reduce illegal connections and electricity theft. This is an area that should see a significant increase in the service charge revenue.

### **EXPENDITURE**

Expenditure overall is higher than budget by R 529,000 compared to the budget, this is mainly due to savings in employee costs, as the new staff members budgeted for have not been employed as yet. This saving should be higher; this is hampered by the overtime cost, due to vacancies that exist within the technical divisions and the high cost of bulk purchases from ESKOM.

As municipalities are a third tier of government and therefore closest to the communities, they are looked upon as the source of job creation, providers of housing, and service such as health, education, sport and recreation, agriculture, arts and culture as well as security. This places severe strain on the limited budget resources to provide services to the people to ensure their social and economic wellbeing is sustained. The municipality has concentrated on its core function which is to provide services such as water, electricity, sanitation and solid waste removal and to provide a service to all municipal departments. However, the provision of housing is also uppermost on the service delivery agenda.

### **CAPITAL EXPENDITURE AND FINANCING**

Expenditure on fixed assets incurred to date amounts to R 17,2m which was mainly funded from Municipal Infrastructure Grant (MIG) and Department of Energy (DOE) grant funding. This represents a 39% spending rate compared to budget. This rate should improve significantly on the coming months as the capital expenditure for MIG is in the procurement process.

All MIG and DOE funds left over at 30 June 2013 have been retained by the municipality as we were able to justify to National Treasury, that the funds were already committed.

### **EXTERNAL LOANS, INVESTMENTS AND CASH**

#### **INTRODUCTION**

The municipality holds a portfolio of investments to the value of R74,8 million, as well as a positive bank balance of R25,7 million.

#### **DEBTORS**

Debtors' balances have increased which poses a challenge on the municipality's collection rate which is sitting at 88,29%. However, with the downturn in the economy it is doubtful whether this rate will improve as forecasted. The outstanding debts have not reduced as expected. A process is in place to address this matter. Most of the consumers in AbaQulusi are Indigent with no ability to pay for services. This places extreme pressure on the budget and increases the debtors. Certain under developed areas have been identified for investigation of whether they are able to pay for services and whether the municipality is delivering adequate services in those areas. This is a focus area for the finance department and a lot of effort is being directed towards the collection of outstanding debts as well as reducing the debtors.

#### **CREDITORS**

All creditors were being paid within 30 days of statement which is a MFMA requirement.

#### **SUPPLY CHAIN MANAGEMENT**

A supply chain management report is attached which details all tenders awarded over R100 k as well as all deviations for the month.

#### **ANNUAL FINANCIAL STATEMENTS**

The Annual Financial Statements for 2012/2013 have been prepared in the new GRAP format.

#### **DECEMBER PERFORMANCE REPORT**

The December report is also attached, the only outstanding item is the migration of the asset register as we await the audit to be completed so that we can migrate the correct and audited version to Munsoft. This will be done during January when the Munsoft system is upgraded to 5i.

#### **JANUARY DEPARTMENTAL PLAN**

The January plan has been attached, and details the third quarter activities which include budgeting, working on the adjustment budget and finalizing the audit queries.

## **CONCLUSION**

The financial position of the municipality is still healthy, but the negative economic challenges are hampering increased growth which would enable the municipality to provide more service delivery projects. More focus will be directed toward revenue enhancing and revenue protection initiatives as well as debtor collection.

**Regards**

Cognisance should be taken of the fact that during this 2013/2014 financial year, Abaqulusi Municipality faces the challenge of 'cash flow'. With the decline in the level of payment by consumers as well as excessive expenditure on Overtime and General Expenses a decrease in cash inflow has been resulted. To ensure that Abaqulusi Municipality continues to deliver on its core mandate, stricter controls by all departments will have to be implemented.

A report on cash-flow management initiatives and strategy will be submitted with the half year and adjustment budget of action plans to intervene and resolve cash-flow challenges and to mitigate accompanying risks.

The revenue variance is explained by:

- Property rates – R 1,215,000 (one million, two hundred & fifteen thousand rand) less than budget
- Service charges – R 1,905,000 (one million, nine hundred & five thousand rand) less than budget
- Government Grants and subsidies – Operating – R28,373,000 (twenty eight million, three hundred & seventy three thousand rand) was received for the 2<sup>nd</sup> tranche of equitable share
- Government Grants and subsidies – Capital – R 11,363,000 (eleven million, three hundred & sixty three thousand rand) was received for MIG

- Investment revenue – R 495,000 (four hundred & ninety five thousand rand) more than budget
- Other Income – R 2,841,000 (two million, eight hundred & forty one thousand rand) more than budget.
- Employee costs – R 6,665,000 (six million, six hundred & sixty five thousand less than budget. Overtime costs for the month of December of R 995,429 (nine hundred & ninety five thousand, four hundred & twenty nine rand) and the total for the year is R 4,064,978 (four million & sixty four thousand, nine hundred & seventy rand). As at the end of December there is still no outcome on the implementation of shifts for the employees in the Technical Departments & Public Safety or the filling of critical vacancies. A schedule of overtime per employee is attached
- Repairs and Maintenance – R 693,726 (six hundred & ninety three thousand, seven hundred & twenty six rand) has been spent on Repairs & Maintenance during December and to date R 6,639,708 (six million, six hundred & thirty nine thousand, seven hundred & eight rand). Included in the year to date total is an amount of R1,3 of outstanding orders.
- Bulk purchases – R 8,478,934 (eight million, four hundred & seventy eight thousand, nine hundred & thirty four rand) was paid to ESKOM during December a total amount of R69,788,765 (sixty nine million, seven hundred & eighty eight thousand, seven hundred & sixty five rand) has been paid to Eskom
- General expenses – S & T for the month of December was R 188,111 (one hundred & eighty eight thousand, one hundred & eleven rand) and to date R1,172,225 (one million, one hundred & seventy two thousand, two hundred & twenty five rand). Spending will have to be closely monitored in certain departments to avoid overspending
